## GOCCIA from GESSI by FCML Luxurious Bathrooms

Designed for Gessi by Prospero Rasulo

Goccia, the award winning design concept from Gessi, features an innovative design inspired by fluid and natural shapes of water. Like a drop.

The collection comprises a unique range of furnishing items, encompassing an impressive mix of models, materials and finish. Goccia is also an eco friendly creation. All of the Goccia taps are equipped with a technology allowing for a 50% saving of water without compromising the functionality of the tap itself.

Goccia is the first tap for a living room.

Material: Tap-ware and metal accessories  
Finish: Chrome plated brass with chrome, brushed chrome, velvety white, velvety black finishes.

Gessi is a family owned business based out of Italy. It's the largest Italian Manufacturer of showers & faucets and caters to the high end and luxury bathrooms segment. All Gessi products are 100% manufactured in Italy. Gessi has already quite successfully handled multiple high-end residential and hotel projects in India and has recently also established an office in India.

*"Goccia. Breakthrough design and concept of the year. Fostering a new freedom in designing interiors and placing water outlets in the house"*
