to balance comfort with luxe,

*We shape our homes and
then our homes shape us*
— WINSTON CHURCHILL

Line, shape, colour, texture
and pattern, add a significant
dimension to any room

*Kitchens should be designed
around what's truly important
fun, food and life.*

– CHEF DANIEL BOULUD

to respond not only to practical but
also “emotional demands”

BESPOKE TILES AND SURFACES

*A room should never allow the eye to
settle in one places. It should smile at
you and create fantasy*

– JUAN MONTOYA
