

FCML WOOD FLOORS
EVERY SHADE & TEXTURE FOR WARMTH OF LIFE

FCML wood floors run the gamut of finishes, palettes and all natural selections. Textures and material combinations include wood and stone and wood and leather. The parquetry crafts range from traditional designs like herringbone and chevron to more contemporary ones like Hexagon shaped floors, leather floors and paneling. From large format planks to patterned floors to bespoke wood floors, we ensure that every stage of the process is tailored to your needs.
