

**Collection IL**  
*Design Rep Design studio*

**IL** collection, designed by **Rep Design Studio**, includes the freestanding Washbasin and the wall hung sanitary wares. Available in matt and glossy finishing in white and black color. This collection, distinguished thanks to its essential forms, is perfectly adjustable with any kind of bath ambient. The new line, born for designer's and architect's needs, increases the Valdama Product Range characterized for a contemporary aesthetic.

Since 30 years **Valdama**, has an important background in handmade dishes. It started in 2005 with a new path into the bathrooms design. In this journey Valdama puts itself between the most dynamic and creative companies inside the bathroom world, thanks to the artistic direction of **Prospero Rasulo** who cooperated with his work to make companies like Gessi and Antonio Lupi as leaders, redefining a new vision of bath ambient.
